### Deadline

Application submission deadlines are dictated by standard invitation and visa processing timeframes. Currently, the deadline stands at **two months** before program start date for all programs:

June 1st - for bachelor, master, PhD programs;

July 1st - for the Pre-university training (1 academic year: September - June)

December 15th - for the Pre-university training (1,5 academic year: February of present academic year - June of next academic year)

The invitation and visa processing times are shorter for citizens of countries which have agreements on simplification of visa procedures with the Russian Federation.

**NOTE:** After finishing the preparatory course of Russian language, you will have to take entrance exams in order to become a student of Kazan Federal University. The exams are mandatory for all applicants, whether they studied at the preparatory school at KFU or any other university.
